Logon Step by Step Procedures with Screens:
Once you have acquired a User-ID/password you may follow the easy step step directions on the next page.
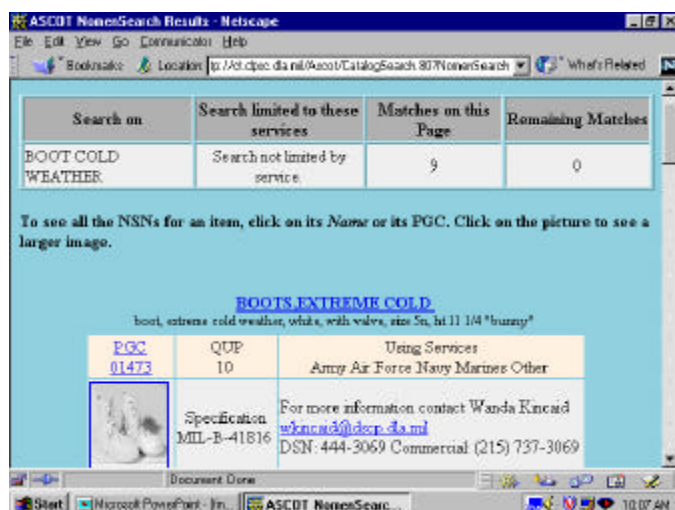

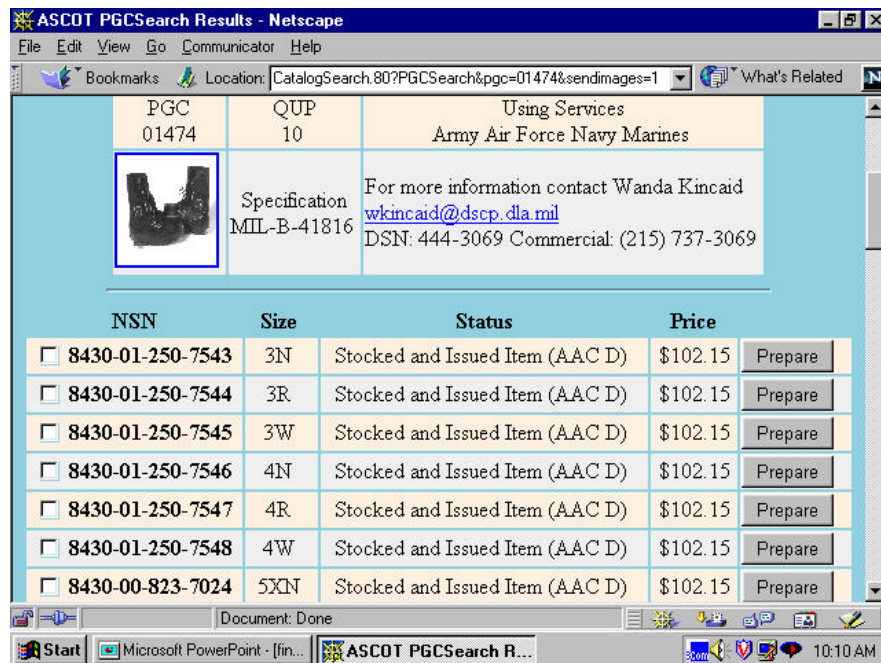

Search by Item Description

Enter a few key words separated by a space; for example, "boot cold".

To see all the NSNs for an item, click on its Name or its PGC. Click on the picture to see a larger image.

You may use this page to select NSNs to requisition. Click on the checkbox next to each NSN that you want. Then press any Prepare button to create a set of requisitions.

Try searching by other search criteria. As you explore the ASCOT site you may want to visit other components of DLA's Clothing and Textiles Center by linking to Home Page button.
